ENVIRONMENTAL POLICY

We at, 3Way International Logistics Inc, a freight service provider based in Toronto, Canada since 2001, are committed to protect and preserve the environment.

TO achieve this goal, we are committed to:

- Strive to prevent, reduce and eliminate waste by improving our operations and recycling / reusing of material wherever and whenever possible.
- Promote & communicate environmental awareness amongst our employees, suppliers and all stake holders from time to time.
- Efficient use of natural resources, energy and eliminate wastage.
- Comply with all relevant statutory and regulatory requirements.
- Continuously strive to improve environment management system and products used to without compromising service delivery goals.

This environmental Policy of the company shall be made available to all interested parties. As this Policy forms an integral part of our business, it will be updated periodically when and where necessary.

MARIO MARTINS
President

All transaction undertaken by us are subject to our Standard Trading Conditions, copy of which is available on written request
